“ Glen and wife Wanda were wonderful to my family. They were adopted grandparents to my sons and they spoiled both the boys and the dogs with surprises. Wanda loves to bake and made the family goodies all the time. Glen would take out dog patches to McDonald's for a 1.00 burger patty daily and we wondered why she ran off early every morning lol. They were Very loving people and I will always remember how they treated us so good . Prayers to their sons! Glen and Wanda are together again. ❤️ Kelly And Pam Judkins and family
