“ *My Grandpa Bob was a quiet man, but very loving. I am so thankful for the time I got with him because I will always cherish the memories.*

He made it to so many extracurricular activities and that meant so much to my family. We all knew our Grandpa Bob was someone special. He was kind, loving, funny, quiet but his gestures spoke many words. I will always love my Grandpa Bob.

“ *My father was the most sincere and kind individual I have ever known. I was privileged to have had him as a father. I can't think of a time that he didn't put others needs before his own. He taught me to cook a brisket when I was 12 years old. At that time (1960's) brisket was nickel a pound. I still love to smoke brisket and have special memories of my dad and I fussing over who would get the burnt ends! Dad taught me so much about so many things through the years that I will never forget. Good bye Dad. Love you and I'll see you later* 🧡🙏
