“ Bob was a gentle and kind soul. He loved music. Bob always took care of his needs without burdening others. I met him through our mutual mentor and friend Rosetta. I will miss him.

We came through Soap Lake today and I was looking for Bob Rice, my dear old friend, and found out that he had passed. We had good times. I have good memories of cherry blossom blues, Cherry Blossom Festivals, logging, planting trees, picking fruit, and driving the Panda Band around when their van broke down. We ran them around on an old flat bed farm truck. He was our chief mechanic and could fix anything. I am going to miss him dearly, but I think somehow we will be in touch.
