“ The trip to Arkansas-Rodney, Jeff and I went fishing and the golf course. While at the golf course Rodney was sitting in the golf cart while Jeff and I were standing on the putting green and all of a sudden the sun disappeared and the clouds opened up and trenchel rain began to fall. Rodney stood up inside the folf cart and started grabbing my purse and his chemo bag out of the little cooler holder. He looked at us and started telling us come on. Jeff and I were soaked in less than 2 minutes. We ran to the golf cart to try and get Rodney out of the rain. Jeff tried to go undr the huge trees but that didnt work. By the time we reached the Jeep, the parking lot was like a river and our feet were soaked completely getting in the jeep. It only took about 5 minites to reach the jeep from where the rain started falling. We all laughed because of how crazy it was to see that much rain in such a short time. Rodney went golfing another time and he played pretty well for having a chemo bag attached to him. He really amazed us with his drives that day. He drive the golf cart and was so cautious. After that he wanted to buy a car.

Fishing- we had a good time fishing but it was so hot we couldnt really be out fishing long. The second time we went Rodney was fishing from the bank and a dog showed up and was trying to get Rodney to play. He would try to chase Rodney's bait as he casted out. Rodney tried to get the dog to leave but the dog didn't go.

We had alot of fun in Arkansas. We went to see Graceland, to Biloxi to go to the gulf and put our feet in the warm ocean water, we stopes by Duck Commander in LA to try and see the Duck dynasty stars but they were closed and someone said go to Willies Restaurant and there we met Godwin.

I have so many memories with Rodney and I will miss him dearly.

“ I met Rodney through his brother Jeff. Rodney was a Buffalo Bills fan, as are my husband and daughters. I enjoyed sending Rodney Buffalo Bills stuff like hat, shirt, jammie pants. 😊. He was a huge fan of Jim Kelly, I had met someone who knows Jim Kelly personally and was given a signed autograph picture to give to Rodney, also...Rodneys favorite a calendar of the Buffalo Jill's Which some signed addressed to Rodney. THEN... I flew here to Spokane, WA and finally got to meet my friend in person. I fell in love with his smile 😊. Jeff and Trish took us to the Air show at Fairchild then to the casino, one of his favorite places. We had a Great time! Every visit to WA State I made, I got to see and visit with my dear friend Rodney. As I type this...remembering our visits. ..remembering his smile, his hugs, him telling me he loves me, me telling my buddy I love him back.....my tears roll down my face and they cannot seem to stop. It has finally sunk in, just now, that my friend, who touched my heart, is gone. I am just heartbroken 💔. I love you Rodney. You have made a difference in My life. I will cherish our memories for eternity. Until we meet again my friend. Love, Michelle Antoinette Guzman- Boundy 💙💔 GO BILLS!!!!
