Dad told anyone who would listen that he got everything he wanted out of life- he said he married his high school sweetheart, had a family (which by the way he loved and protected) and he became a police officer. He had such great respect for law enforcement and took a lot of pride in the fact that his granddaughter-in-law Julie (married to my son Joshua) is also a police officer. I am so glad that he got to be a part of his great grandchildren's lives. He will live on through all of the memories that we will share. Love and miss you Dad.

I never got the opportunity to meet David's father Roger Weston Kenney. I am a volunteer at the Soap Lake Food Bank and met David when he started volunteering. David has a distinct New England (Maine) accent. Once when he asked me to bring him a grocery cart which we provide for those coming for food David had to point to what he wanted. I had a hard time understanding since it sounded as 'cot' without the "ar" pronunciation as we from Washington state are accustomed to. We enjoy having David around with his lively and joyful personality. We are all saddened by David's and his families' recent loss! Fellow volunteer, Jim Gruber from Soap Lake

“ *Mr. Kenney was my friend. When he first came to me I thought "Oh No", but it did not take long for him to melt my heart. He said it like he saw it, cared about and tried to protect Everyone. Heaven certainly gained a security guard. My prayers go out to Donna and David, as well as the rest of his family.*

He loved his lady doctor. In his mind you were the only one who knew anything.
