“ I was the activities director for CBH and Garden Oasis for 12 years and came to know and love Ruth! We had many wonderful talks as I did her pedicures. She was the kindest warm hearted woman with a wonderful sense of humor. I know she will be missed terribly by all who were lucky enough to know her, and I know that I will have cherished memories for the rest of my life. May God give you strength and love to make it through this difficult time my sincere condolences Diane Stucky

“ Sorry for your loss..what a special lady..I have been Ruth's housekeeper since she has been a Resident at A.L. I have been so blessed to have gotten to know her...I have worn the same scrub top every Monday, her cleaning day, because it was her favorite...it was a little thing...but it was "our" little thing...just one big memory I will always hold close to my heart ❤️ RIP my sweet friend...❤️
