“ Sue was an impressive woman. She was a great mother figure in my life. She was there for me during dark hours. She never made me feel that I was bothering her. She had the most caring heart. We laughed together, cried together, and got angry together. She was my best friend, adopted mom, role model, and confidant. She was witty, strong, and poised. A truly amazing person and I will thank God everyday that he blessed me to have her in my life. She used to say "Kellie, God put you and I together in life for a reason". I truly believe that now. She has made such an impression on me. I will thank God everyday for this. Hugs and Love forever Sue.

“ Elliott Boys & families,

*I've known your Mom (and Dad) for many years thru the Moose Lodge, and living in Ephrata most of my life. I miss her already, and we had talked about going out to dinner last week, but that didn't happen. I hope you can someday find peace in her passing, and now she's out of pain and with your Dad. Take care~
