

## Susan Elizabeth Draper

March 2, 1950 - November 26, 2023

Our Mother sadly passed away November 26th, 2023 at the age of 73 with her family by her side.

Susan was born to Ione and Roy VanAntwerp in Bremerton, WA. She married Bradford Wilke in 1971, and moved to Ocean Shores, WA. They had two children, Kari and Scott.

She was known for having a warm and open heart and always putting the needs of her friends and family before her own. She was always a second Mother to so many of her children's friends growing up. She worked many different jobs in Ocean Shores, mainly in customer service. She enjoyed crafting, writing poetry, drawing, and reading books. She loved her grandchildren as much as her own children and was always their confidant.

She is survived by her two children, Daughter Kari Johnson of Ocean Shores, WA and Son Scott Wilke, of Hoquiam, WA. 5 grandchildren; Kali, Leila, Emma, Erin, and Andrew and 3 great-grandsons, Jeremiah, Jonah, and Jesse.

She is preceded by her Mother, Father, Sister, and Brother. A memorial will be scheduled this Spring in Ephrata, WA at The Desert Church.
