“ *Suzette Slipper was my neighbor and she was caring God fearing prayerful lady. Big respect and love. Suzette has given puzzle to my daughter as we moved into our new home and we would like to share it with you all.*

“ *When Suzette was a little girl she was my neighbor on 5th Ave. We often played baseball out in the field behind my home and across the street from her home. They had weimerheimer dogs that helped us find the ball in the sagebrush. RIP Suzette. Our condolences to Fred and the family.*

“ Met at age 5. Rode bikes all over. Knew every vacant lot or hidey hole and played in them. Had a whole world in the big field with Roy Roger’s ranch, King Arthur’s castle, Pike’s peak, Liver’s Leap, la Brea Tar Pits, the haunted house and more. We dressed up, had style shows, created a full sized Clue game, water skied, and swam in every body of water (once in the rain filled pond the formed where the storm drain didn’t work).

Suds was one of those with whom the relationship took up where it had been interrupted years ago. Faithful to Jesus, matter of fact, realist, faced difficulties straight up and just helped people, Suzette was my longest term friend. I will miss her.,

“ Suzette was a true shining person. She dressed up and showed up for my first Halloween party we threw. She was such a sweet and kind woman. I saw her regularly at Yoga and I always admired her strength, beauty and smile. I will really miss seeing her, but I am glad I got the chance to meet her. Lots of love to her loved ones.

“ My husband and I, Gary and Leslie Fanning, went to school with Suzette at Soap Lake. I believe she did her senior year in Ephrata though. We've keep in touch a little over the years, but I didn't know she and Fred had moved back to Soap Lake. My parents and her parents actually socialized a bit. My condolences to her family.
