“ *My deepest condolences to Tom's family. I will remember Tom's smile in band class goofing off and laughing with the rest of us. He was an intelligent, quiet soul. My heart hurts for you all. Know you are in my thoughts and prayers in this difficult time.*

“ *Many, many, MANY years ago Tom and I worked at Dk's, and we always seemed to have a good time laughing and joking around. We even went to the No Doubt concert at the Gorge, and had a blast. Although as adults our paths never crossed, I am saddened to hear of his passing, and I am glad that I got the chance to know him when I did. RIP Tom*
