“ *Hi Dear Ones. God Bless you and give you His Peace and Comfort. There are too many wonderful memories to share, but when Ed helped our three teenage children work at Cannon Beach for a summer, it was a great time of growth in their Christian Faith. We appreciate his support for us when we served the Presbyterian Church in Ephrata. His help in starting the 77 young adult groups and advise and help in securing speakers for the Week in the Word in the winter We will miss him very much. Our love to you all. Dick and Ardith Klein*

“ Nancy and family, we were sorry to hear of Ed's passing, he will be missed by many. We enjoyed him when he came to the Wilson Creek First Presbytery Church for services along with Nancy. Ed had a smile that you couldn't forget and always had something funny to say. Rest in peace. Our thoughts and prayers to the family!!!

“ Dear Nancy and family: Larry and I haven't been in touch these latter years, but Ed's going home to be with his Lord and Savior sure has brought to mind many memories of you both. As we grow in our spiritual journey, there are those people that the Lord brings into our lives to encourage and inspire us and you and Ed certainly were a "beacon" of light to us for many years. It sure brought back memories of "Radiance" of the wonderful trips with your children and Ed. He sacrificed much time to accompany us on those "crazy" tours. You probably encouraged him to go with us to protect your children from their off-the-wall director. I will always look back with fond memories of ALL the love and support you and Ed gave us in those years we served with you at First Presbyterian Church. Nancy, you will be in our prayers over the next days and months in this new season of your life. Praise God for eternity!! Larry and Preta

“ Ed Allan has been an inspiration to many people, including my family. I admired his dedication to Village Mission Churches. His insight and counsel made a huge impact on many communities. He walked the talk of a Christian in every part of his life. I will miss his smiling face at church but I know we will see each other again some day. I pray his family will feel God's peace at this difficult time, especially Nancy. You two made a great team.

Ed was an honorable and well-respected lawyer, judge, mentor, and man and this world is better for having had him in it. His legal acumen and pleasant personality will be missed by many. I am proud to call him a colleague and friend. May he rest in peace in the loving embrace of the Lord.

Ed was a person who touched many, and I was included in the many. Our friendship reached back to when he was a Judge. His counsel and advice were sought by all who knew him. He was devoted in his principles, empathetic to all, and skilled in his profession. I was fortunate to have him not only as a colleague, but as my friend.
