“ *When I was around him I knew that I was loved. Rising in his old truck or on his motorcycle was always such a fun way to spend time. I was lucky that He loved me like a grandchild and I loved him. Be at peace. I wish peace for all who loved him.*

“ *I am so saddened by this...he was my father in law. This tough guy made my wedding dress, which I still have. It was funny and sweet to go over and see him after work making it. You never treated me different after the divorce...I thank you for that. Be at peace...love you.*
